

## AMILO Pro V8010

### Your solid business performer

Issue December 2005

Pages 3

Increasingly desktop machines are being replaced by notebooks as computer users demand mobility. The AMILO Pro V8010 is a versatile all-round notebook, equally suitable for occasional or professional users, and heavy-duty operation by mobile field sales people.

This professional notebook features a superb 15.1-inch XGA display and an ergonomic keyboard and a built-in combo or DVD writer drive. Modem, LAN, optional Bluetooth® and Wireless LAN are integrated for easier connection, courtesy of the latest Intel® Centrino™ Mobile Technology. It has great connections; four USB ports and an integrated 3in1 Card Reader. Connect to printers, scanners, cameras or any other accessory.

You have the choice of supply concept for in-time and tailored delivery: value4you, made4you.

### Mobility

#### Extensive technology for high demands

- Power-saving Intel Pentium M Processor with enhanced SpeedStep™ technology for long independent working
- Increased productivity due to latest Intel 915GM chipset which supports new technology standards: DDR2 memory, PCI Express and S-ATA

#### Ergonomics and flexibility in- and outside the office

- Enjoy the viewing quality of brilliant 15.1-inch TFT display
- Three USB ports on left side and one USB ports on rear side for comfortable connectivity
- Cable Port Replicator optionally available for simple connection to all your peripherals, backward compatible with AMILO Pro V7010

#### Highest independence everywhere

- Ideal connectivity through optional WLAN and Bluetooth. The diversity WLAN antennas are integrated in the lid for best signal reception.

#### Robustness on the move

- Germany's quality standard
- Award-winning best-in-class manufacturing
- Mechanical and function stability through extensive quality tests
- Short reaction and transportation time

#### Security to protect for your sensible data away from the office

- Easy and secure access and data protection for your business intelligence
- Antivirus software
- Symantec Ghost for easy configure and execute imaging/backup sessions without boot discs

#### Remote administration while traveling

- Easy and remote administration with DeskView client management
- ManageIT: software suite with best integration into your IT environment optionally available

\*1) Optional, if Intel Pentium M Processor and Intel PRO/Wireless 2200BG module are integrated. AMILO Pro Series without Intel WLAN module are branded with letter "D" e.g. AMILO Pro V8010D
